What's New with
Derby Public Library's
Museum Pass Service?

Derby Public Library has a versatile collection of museum passes that, depending on the museum, will provide visitors with either discounted or free admission to nearby institutions for up to a specified number of people. So what's new about museum passes? Reserve and Print Museum Passes Online! Most of our museum passes are now printable, 24/7! To help you plan your visit, you may now reserve the library's museum passes up to 30 days in advance at www.derbypubliclibrary.org. Passes are available to anyone with a valid Connecticut library card; one (1) pass per day per family, four (4) passes in a 30 day period. In addition, most museum passes are printed on demand as part of the reservation process - from the comfort of your home or while at the library. Several passes must still be borrowed from and returned to the library, but these may also be reserved ahead of time.

You can see all of our selection as well as further information on the museum passes page on our website. While the online calendar incorporates museum schedules to the best of the library's knowledge, it is recommended that you check the individual museum's web site calendar or call ahead prior to visiting to be certain that the museum or the area of the museum you plan to visit will be open. As always, please call the Library if you have any questions at 203-736-1482 or to reserve your pass today!

Silver Sluggers with Rich Marazzi at Derby Public Library

On April 25, Babe Ruth's granddaughter, Linda Ruth Tosett, will join us at Silver Sluggers. You won't want to miss that one. On June 15 Hunt Auctions will hold a Babe Ruth memorabilia auction at Yankee Stadium. Several items of Babe's memorabilia that have been in the possession of Mrs. Tosetti, will go up for bid. Hopefully, she will have some of the items with the Sluggers before her trip to the Bronx in mid-June.

Creativity at work!

Children and their families participated in a number of activities during our *Take Your Child to the Library Day* event on Saturday, Feb. 2. Among the day's programs was a painting class facilitated by The Giggling Pig Art Studio. These are some of the completed masterpieces! The Studio returns on Sat., May 4 for another painting workshop.
