

Derby Public Library's

# 2020 TEEN SUMMER CLUB

## *“Imagine Your Story”*

**How to:** Be successful & have fun...  
Sharpen your reading/evaluation skills!

Review a book/article...

You'll access/download a short *review* sheet from our website.  
Then answer some simple questions about the reading, such as:

- Who authored the reading?
- When was the reading written/published?
- What was the reading about (in three sentences)?
- What did you like or dislike about the item you read?
- Tell us why your friends should **or** should *not* read this item!

-----

Evaluate a website... You'll access/download an *evaluation* sheet.  
Answer some simple questions about the website, such as:

- What is the main purpose of the website you chose to explore?
- How did it measure up to your expectation for usefulness?
- What would you like to see improved on that website?
- When was that particular website last updated?

Submit as many reviews/evaluations as you'd like. Three reviews gets you a ticket to opening-night Sound Tigers hockey game. Plus, Teen Summer Club members will earn a participation gift as a token of DPL's appreciation for using the library as a vital part of your summer break!
